# POLICY

- 1) Registration Fee—A \$20.00 registration fee is required from every student in order to participate in class. The fee is non-refundable.
- 2) Tuition—All tuition is payable monthly and is due by the first lesson of each month. The tuition remains the same whether there are 3, 4, or 5 classes in the month. Tuition is non-refundable, nor is discounted for absences. Any discount made will be done by us and not by the individual parent. If the school cancels a class or if the school is closed for any reason there will be no makeup class given. **\$35 monthly**
- 3) Late Payments—If a payment is not in by the 2nd class of the month, your child will not be able to attend until payment is received in full.
- 4) Returned Checks—If the bank returns a check to us for the first time, it will be re-deposited and a \$10.00 fee will be charged. If it gets returned a second time or another check is returned, a \$20.00 fee will be charged. All further payments must be in cash.
- 5) Dropping Class—We must be notified in writing by the last day of the month if your child is dropping class the following month. If we are not notified and your child is brought into class, payment is required for the month.
- 6) Gym Attire—Girls are not to wear dresses, ball hair clips, or dangling jewelry. Long hair is to be pulled back. No slippery shoes allowed. All children should wear loose fitting clothes and sneakers. Tights and leotard are not recommended.
- 7) Class Observations—Although we welcome occasional parent observation, it is not recommended on a continual basis. Please understand that this is the best interest of the class, as parents visits have sometimes become a disturbance to the children and can effect the quality of the class. If you wish to observe your child, we must be notified in advance of the class.

## MEET MR. CHARLIE

Charleston Mobile Gymnastics, under the direction of Charles Schumpp (Mr. Charlie) has been involved with teaching gymnastics to children in the Charleston area since 1986.

During this time he has worked with over 400 children a week at some 35 different schools. The success of the program is the result of Mr. Charlie's determination to be involved in working with all classes at every school resulting in consistency in teaching skills.

Ms. Alicia is Mr. Charlie's daughter and the other teacher with the program. She has been teaching part-time from 1986 and full time since 1992.

Charleston Mobile Gymnastics is a complete gymnastics program for young children that brings all of our equipment to the school. We are basically "a gymnastics studio on wheels" We provide instruction for children ages 2 years old and up. Each class is geared toward the age level involved and provides age appropriate skills taught in a fun, non-competitive atmosphere. While the classes are fun, they are structured in order to maximize the time provided as well as maintain a safe environment for the children. Children not only learn gymnastics skills, but also develop coordination and confidence which carries over into other activities and sports.

Our classes are as follows:

- 2 year old class runs 30 minutes
- 3 years old and up runs 45 minutes

The equipment we use in our program consists of a variety of mats, including an incline mat, flat mats, and octagon mats in which we teach many different tumbling tricks.

We also have a single training bar, high bar, uneven bar, rings, mini bars, mini tramp, pre-school vaulting board and horse, and a variety of balance beams. With this equipment we are able to teach skill levels from the very basic up through the advanced levels. All children work on all pieces of equipment. The skill levels are adapted to the level of the child.

Our program runs from September through May with summer sessions at most of our schools. In May we hold a "gymboree" (our form of a recital) in which the parents get to see what their children have worked on over the years. Every school gets their own gymboree which last approximately an hour. There is a small fee for the show.

We are proud of our program as we feel it gives children a "jump start" in life. We are also proud of the fact that we have had over 500 of our preschool gymnasts go on to local teams, some becoming state champions.

For details on when we will be offering gymnastics' at your school please look for our poster, see the director, or contact Mr. Charlie.
