

LITTLE PICASSO
AT
GRACE WEEKDAY SCHOOL

Making Art and Getting Smart for ages 3-4 years old

Little Picasso is a traveling arts and crafts program educating its students in art appreciation, exposing them to art in different cultures, opening their eyes to art in their environment and encouraging them to express themselves freely through art using different genres and a variety of mediums: paint, watercolor, clay, pencil, etc. (We provide smocks, however, dress as if we didn't, as we don't want to inhibit their creativity.)

Following a brief lesson about an artist, an illustrator, and/or a technique our students learn by doing and complete a project appropriate to the lesson.

Children work in an environment that promotes self-exploration. We believe in allowing children to turn each project into their own creation. We accomplish this by giving only enough direction and instruction for them to be successful. Efforts as well as results are appreciated and praised.

There will be three 4-week sessions beginning Thursday, September 16: Sept 16 - Oct. 7;
Oct. 14 - Nov. 4; Nov. 11 - Dec. 9.

Cost: \$45 for a 4 week session.
